### **Melvin Mark Expands Brokerage Team, Adds Multifamily Expertise**

PORTLAND, Ore. — Greg Martin, an Oregon native and technology industry entrepreneur, has joined Melvin Mark Brokerage Company as an associate broker specializing in the purchase and sale of multifamily properties.

“Greg is a terrific addition to our brokerage team,” said Jon Carder, president, Melvin Mark Brokerage Company. “He brings a valuable perspective on our market, a proven track record in this sector, and sharp insight into the needs of multifamily investors.”

Most recently, he worked as an associate broker for RE/MAX Northwest Realtors in Bothell, Wash., where he established his niche as a multifamily investment expert and developed a reputation for being able to quickly and accurately value properties on behalf of his clients.

Prior to launching his real estate career, he spent several years as principal, founder and CEO of several digital technology companies in the Puget Sound region. He began his career in sports and entertainment marketing, and held previous positions with the Seattle SuperSonics, UPP Entertainment Marketing and Rival Networks Inc.

“Melvin Mark is the perfect fit for me,” said Martin. “I am attracted by its family-friendly culture and strong community connections. We share in common a deep commitment to building long-term relationships and putting customer needs first.”

A graduate of Lakeridge High School and Oregon State University, Martin is active in community activities and youth sports. He is currently working towards his Certified Commercial Investment Member (CCIM) designation. He resides in Lake Oswego.

The Melvin Mark Companies have developed, owned and managed property in Portland since 1945. They currently own or manage nearly three million square feet of commercial space in the metro area, and provide a full range of commercial real estate services for landlords and tenants. The companies include Melvin Mark Brokerage Company, Melvin Mark Capital Group, Melvin Mark Construction Company, Melvin Mark Development Company and Melvin Mark Properties. Melvin Mark Brokerage Company is Oregon’s only member of the CORE Network, a global alliance of commercial real estate providers with affiliations in the United States, Canada, Mexico, Asia and Europe.
